7.2 Warranty Exclusion. The Limited Warranty excludes products not manufactured by Contractor. You shall be entitled to all warranties, if any, provided by the manufacturers of the components, accessories and equipment that are not manufactured by Contractor, but which Contractor installs. These items generally include, but are not limited to, solar panels, inverters, and disconnect switches. 7.4 Repair and Replacement. If you discover a breach of the Limited Warranty and make a timely claim, then, as your sole and exclusive remedy, Contractor shall repair or replace the defective Work. Contractor shall commence and complete such repairs or replacements within a reasonable time after receipt of your notice of warranty claim. If a failure cannot be corrected by Contractor’s reasonable efforts, the Parties will negotiate an equitable adjustment in the Contract Price. Any maintenance and/or system repairs required outside of the specified warranties is and will be the sole responsibility of the purchaser.

7.5 Disputes of Breach of Warranty. If Contractor disputes whether a breach of warranty has occurred, any tests of the System shall be as mutually agreed, and Contractor shall be notified of and may be present at all tests that may be performed.

7.6 Exclusive Remedy. The Limited Warranty is the exclusive remedy for defects in material and workmanship provided under this Agreement, and is provided in lieu of all other warranties, express or implied. On expiration of the Limited Warranty, all liability of Contractor for breach of warranty shall terminate. NO IMPLIED OR STATUTORY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE SHALL APPLY.

7.7 Contact Information. In the event warranty, maintenance or service work is required for the project, Contractor should be contacted by phone at 1-855-SAY-SOLAR or using the E-mail address Service@titansolarpower.com. In order to contact using US Mail the following address should be used: Contractor 210 N. Sunway Drive, Gilbert, AZ 85249.
